

Don't Smoke and Vacuum: 60

Announcer: Hey parents of children with asthma, here's the Breathe Easies with another one of your favorite hits.

Singing: Don't smoke in the house.

Don't smoke in the house.

Don't smoke around the kids in the house. Don't smoke in the car.

Don't smoke in the house.

Don't break my heart.

With your sickening smoke in the kids it can trigger the asthma

Announcer: Preventing asthma attacks can be as simple as making your home and cars smoke-free zones. For more Breathe Easie tips to help stop asthma attacks go to noattacks.org Up next well what do you know the Breathe Easies with another hit song "Vacuum up the Floor"

Singing: Vacuum up the floor

Hey!

Vacuum up the floor

Yea!

Vacuum up the floor

The asthma trigger is no more.

You have to vacuum up the furniture and vacuum in the great big room

The dander and the dust can get you the asthma attack

Announcer: Simple steps can help your kids breathe easier vacuum up the floor to keep your house free of dust dander and dust mites. For more Breathe Easie tips to help stop asthma attacks go to noattacks.org Brought to you by the EPA and The Ad Council.
